Progress Report – Day 2

Team `netdev`

- Dimitri (nrf5x_ieee802154):
  - More research into netdev
  - Interrupt handling ⇒ Packet reception now possible
- Kai (Mighty Gecko):
  - Trying to understand RIOT's init system
  - Siliconlabs library (BLOB) ported as a package to RIOT
- Martine (gnrc_netif2):
  - IEEE 802.15.4 and Ethernet support finished

Next Steps

Team `netdev`

- Dimitri (nrf5x_ieee802154):
  - Sending + options
- Kai (Mighty Gecko):
  - Research (and port?) Siliconlabs library from source / GitHub
- Martine (gnrc_netif2):
  - Integration into gnrc_ipv6 and gnrc_sixlowpan
